Dr. J. Lederberg
Department of Genetics
The University of Wisconsin
College of Agriculture
Madison 6, Wisconsin

Dear Dr. Lederberg:

Thank you very much for Favret's article. I have a copy of it and it does not contain anything of value to us. Thank you very much for thinking of us.

How about stopping by our Laboratory the next time you come through this part of the Country? Best personal regards.

Sincerely,

A handwritten signature in cursive script, appearing to read "Alex. Hollaender".

Alexander Hollaender
Biology Division.
